§ 2920.2-5 Proposal review.

(a) A land use proposal shall, upon submission, be reviewed to determine if the public lands covered by the proposal are appropriate for the proposed land use and if the proposal is otherwise legal.

(b) If the proposal is found to be appropriate for further consideration, the authorized officer shall examine the proposal and make one of the following determinations:

§ 2920.3 Bureau of Land Management initiated land use proposals.

Where, as a result of the land use planning process, the desirability of allowing use of the public lands or providing increased service to the public from such use of the public lands is demonstrated, the authorized officer may identify a use for the public land and notify the public that proposals for utilizing the land through a lease, permit or easement will be considered.

(a) A notice of realty action indicating the availability of public lands for non-Federal uses through lease, permit or easement shall be issued, published and sent to parties of interest by the authorized officer, including, but not limited to, adjoining land owners and current or past land users, when a determination has been made that such public lands are available for a particular use either through the submission of a public initiated proposal or through the land use planning process.

(b) The notice shall include the use proposed for the public lands and shall notify the public that applications for a lease, permit or easement shall be considered. The notice shall specify the form of negotiation, whether by competitive or non-competitive bidding, under which the land use authorization shall be issued. A notice of realty action is not a specific action implementing a resource management plan or amendment.

(c) The notice of realty action shall be published once in the FEDERAL REGISTER and once a week for 3 weeks thereafter in a newspaper of general circulation in the vicinity of the public lands included in the land use proposal.
